NARRATIVE:

Pablo Aguirre has an extensive adult criminal history that began at the age of 18. His convictions include multiple burglaries, assault with a deadly weapon causing great bodily injury, willful cruelty to a child and failing to report. He has served multiple incarcerations, the longest being a 32 month term for burglary. Aguirre was released from state prison to the supervision of the Los Angeles County Probation Department on November 3, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Aguirre qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
